## Summary:

'Point of care ultrasound' has become a key skill and component of the Royal College of Emergency Medicine's curriculum over the last 15 years.

In order to attain a Certificate of Completion of Specialist Training and to be eligible to apply for specialist registration with both the IMC and GMC, an emergency medicine physician has to complete an ultrasound course and a portfolio, as well as an ultrasound competency assessment.

This training day has been designed to facilitate an opportunity for doctors not engaged in a formal training scheme to be able to undertake an accredited ultrasound competency assessment.

## Suitable for:

Senior EM physicians who have completed a Level 1 Point Of Care ultrasound course and want supervised, hands-on practice or a chance to refresh the skills and to be assessed in all Level 1 (Core) competence areas (FAST, AAA, vascular access and ECHO in life support).

# Course Fee

## Proof of completion of a Core level 1 RCEM-approved course

You will need to have attended the full Basic Level 1 Emergency Ultrasound CPDSS course and have received your certificate upon completion of the course. You will need to provide your certificate as part of the application process.

## Competency Assessment Completion Form

A signed Competency Assessment Completion Form (using the template provided) by a nominated Local EM Ultrasound Lead confirming that they have checked your logbook and certificate. With this form, they approve you for Competency Assessment. The following is a list of local EM Ultrasound leads (If there is nobody available in your training department to sign the Completion Form, please upload a blank form).

## Completion of an Ultrasound Logbook

Completion of an ultrasound logbook using the RCSI template provided showing proof of ongoing experience and the use of ultrasound in appropriate clinical settings. Core accreditation is aimed to be competency-based and not numerically defined (i.e. solely based on a number of scans undertaken).

## Proof of completion of all 7 RCEM Learning ultrasound modules

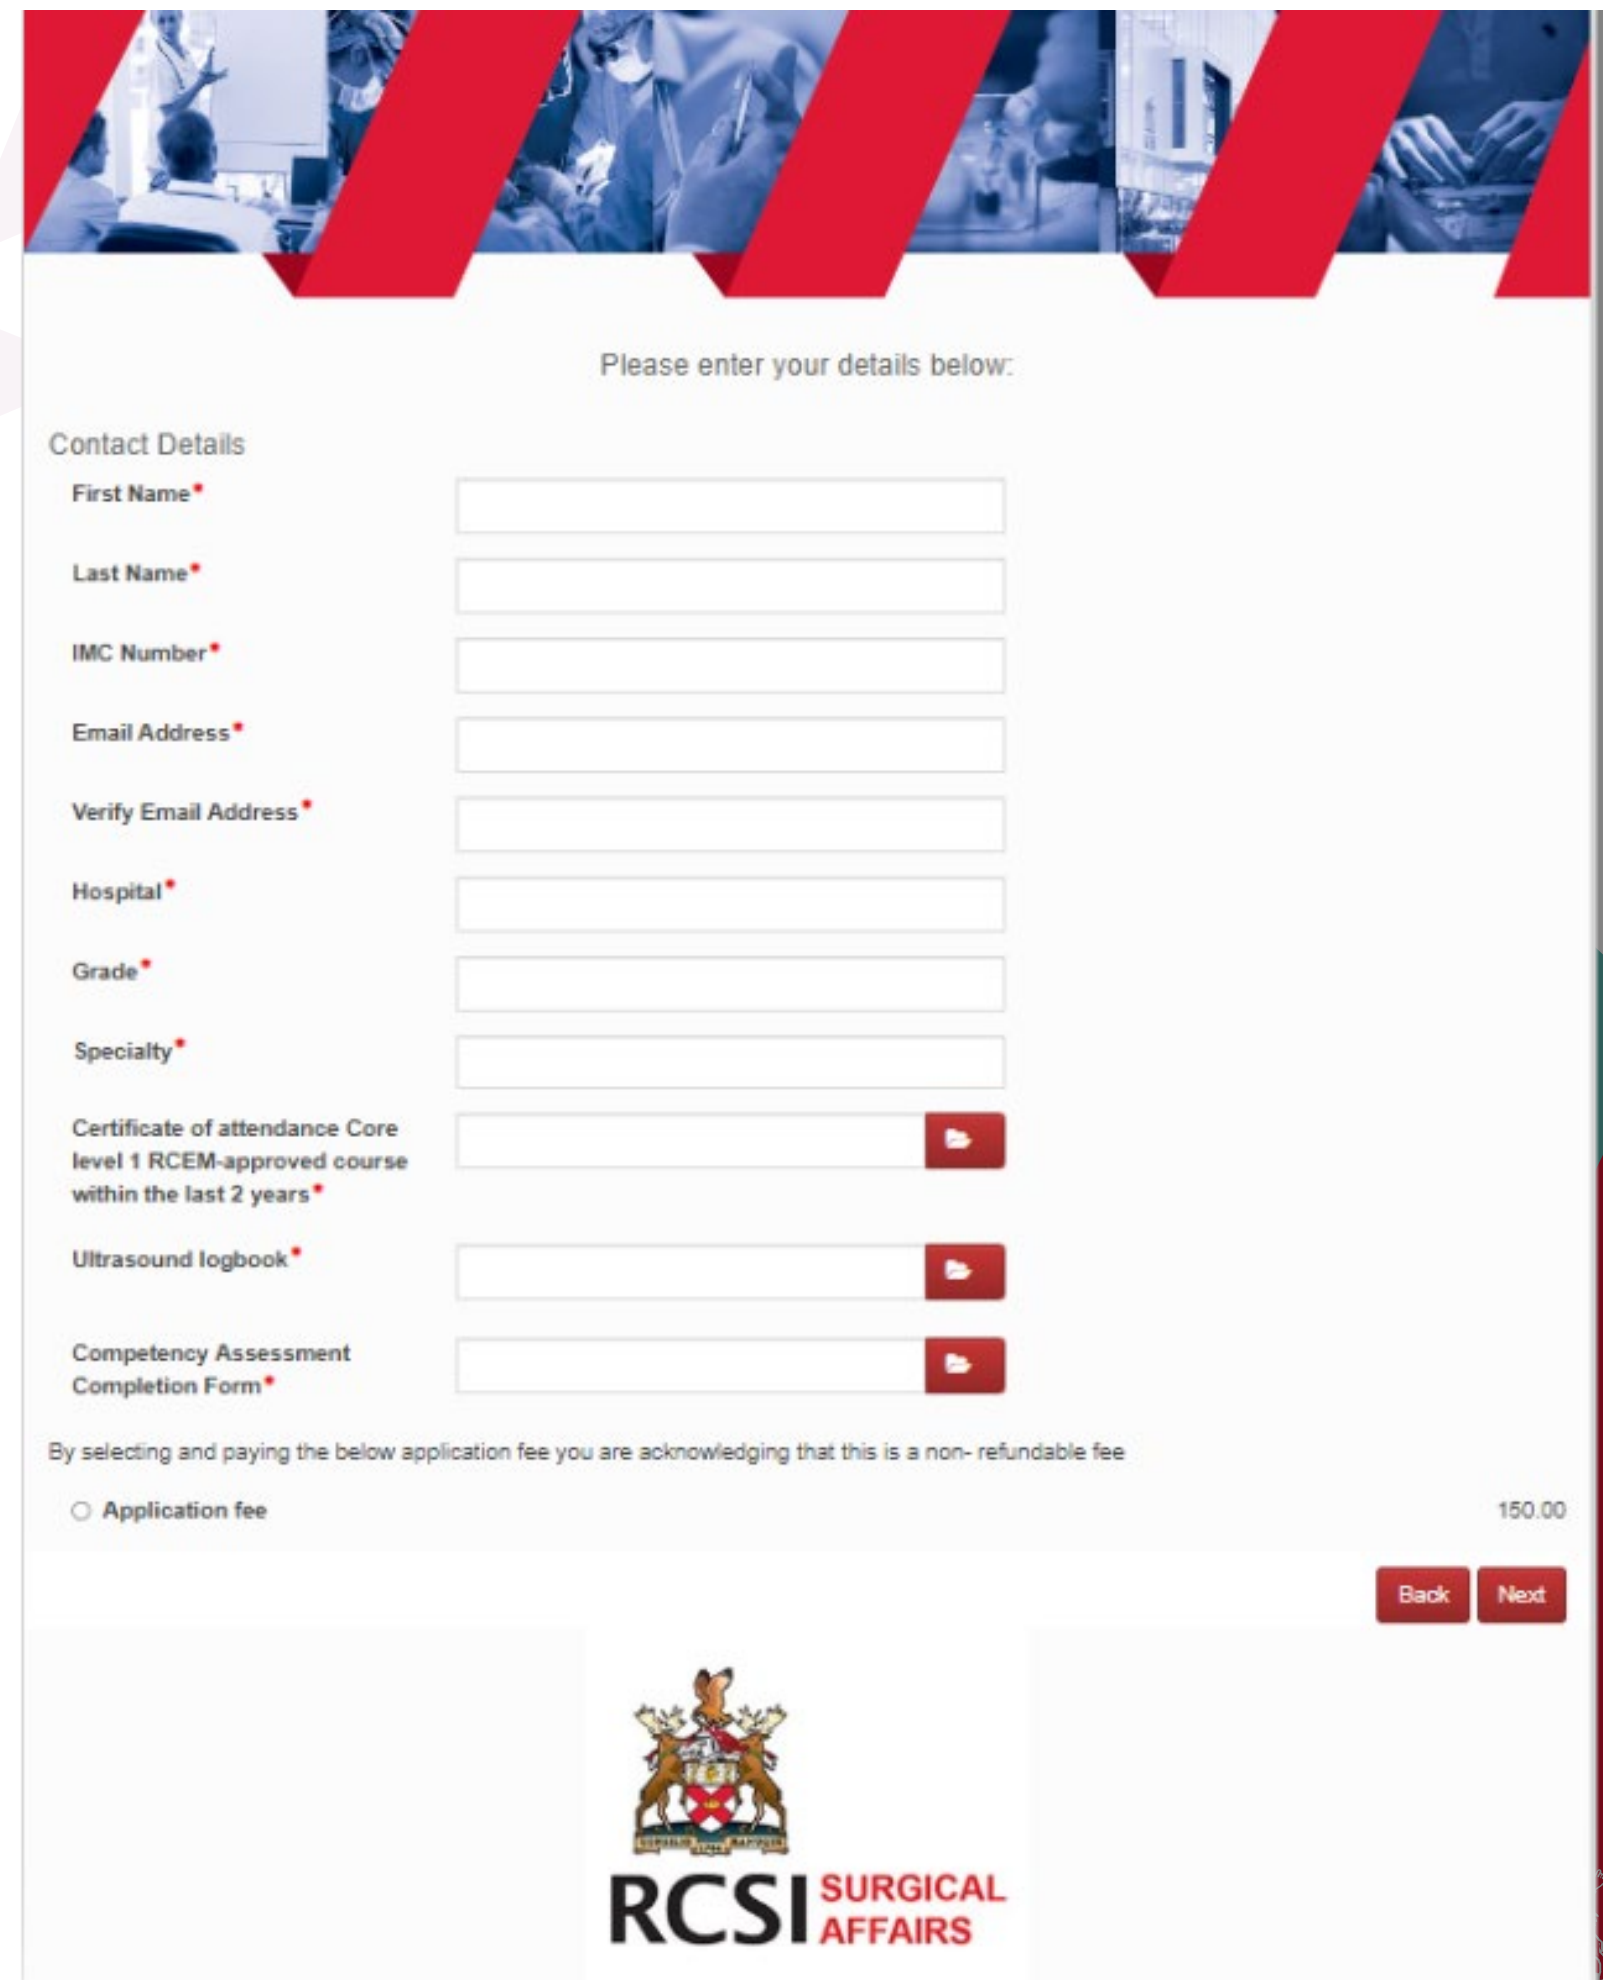

Proof of completion of all 7 RCEM Learning ultrasound modules (Indications, Physics, Image Acquisition, eFAST, Aortic Assessment, Echo in Life Support and Vascular Access)

Any attempt to provide misleading or false information to improve your score will result in automatic disqualification and may result in the matter being referred to the Medical Council.

# Application form and application fee

The screenshot shows a web-based application form for RCSI CPD. At the top, there is a banner with medical images. Below the banner, the text "Please enter your details below:" is displayed. The form is titled "Contact Details" and contains several input fields: "First Name\*", "Last Name\*", "IMC Number\*", "Email Address\*", "Verify Email Address\*", "Hospital\*", "Grade\*", and "Specialty\*". There are also three checkboxes with "Yes" buttons: "Certificate of attendance Core level 1 RCEM-approved course within the last 2 years\*", "Ultrasound logbook\*", and "Competency Assessment Completion Form\*". Below the form, there is a section for the application fee: "By selecting and paying the below application fee you are acknowledging that this is a non-refundable fee". The "Application fee" option is selected, and the amount "150.00" is shown. At the bottom right, there are "Back" and "Next" buttons. The RCSI logo and "RCSI SURGICAL AFFAIRS" text are visible at the bottom of the page.
