

## **2026 National Training Day**

### **BURSARY AWARDS FOR TRAINEES CALL FOR ABSTRACTS**

Cancer Trials Ireland, ISMO, IRROG and NSRSC are pleased to announce bursary awards for trainees from all disciplines attending the National Training Day in January 2026.

These bursaries are open to Non-Consultant Hospital Doctors with a special interest in oncology. Candidates are invited to submit an abstract (maximum 500 words) describing a:

- Case report or case series
- Audit
- Clinical, basic or translational research project

### **PRESENTATIONS**

- The top 15–20 abstracts will be selected for oral presentation at the National Training Day.
- A further 20–25 abstracts will be invited for poster presentation.

### **BURSARY AWARDS**

Candidates judged best at the meeting will each receive a bursary to support an educational opportunity.

Details for successful candidates will be confirmed after the application closing date.

### **MEETING DETAILS**

Presenters will be expected to attend the National Training Day in person:

- Date: Friday 30 January 2026
- Venue: UCD, Dublin

### **HOW TO APPLY**

- Maximum abstract length: 500 words
- Format: PDF document
- Email your abstract to: <mailto:comms@cancertrials.ie>
- Closing date: Wednesday 14 January 2026 at 5.00pm  
(Late applications will not be accepted.)

### **INFORMAL QUERIES**

For informal queries regarding the bursary awards, please contact:  
<mailto:michael.mccarthy7@hse.ie>
