# ADVANCED TRAIN THE TRAINER MASTERCLASS: SKILLS FOR SUPPORTING TRAINEES IN DIFFICULTY

Tuesday, 10 June 2025

RCSI 26 York Street, 10am to 4:30pm

FOR: SURGICAL AND EMERGENCY MEDICINE  
CONSULTANTS IN PRACTICE IN IRELAND.

This **ONE-DAY MODULE** is designed to equip trainers with the skills necessary to effectively support trainees facing personal or professional challenges. Participants will gain a comprehensive understanding of the supports and resources available to both trainers and trainees, and will have the opportunity to develop and refine the skills needed to navigate complex and sensitive interactions with confidence and professionalism. *It is recommended that trainers attend the Train the Trainer Masterclass before attending the Advanced Masterclass.*

**COURSE LEADS:** Dr Dara O’Keeffe, Simulation lead in Postgraduate Surgical Education and Prof Eva Doherty, Director of Human Factors in Patient Safety

**FEE: €200**
