RCSI **MILLIN**
MEETING 13 NOV '26

ONE OF THE HIGHLIGHTS OF THIS YEAR'S RCSI MILLIN MEETING IS THE ATTENDANCE OF KEY RESEARCH SUPPORT SYSTEMS AVAILABLE IN IRELAND AS EXHIBITORS AT THIS YEAR'S UPCOMING EVENT.

HELPING YOU GET STARTED IN SURGICAL RESEARCH

Meet the Clinical Trial and Surgical Research experts at this year's RCSI Millin Meeting 2026

Engaging with surgical/clinical trial exhibition stands are a great way for Surgical NCHDs, Trainees and Surgeons, to engage with key research stakeholders across Ireland in order to help get the information you need to set up your own trial.

Clinical research exhibitors are there to support and engage with you on any information you need in relation to embedding surgical research within your career and clinical practice.

CLINICAL RESEARCH EXHIBITORS IN ATTENDANCE INCLUDE:

- The RCSI National Surgical Research Support Centre
- HRB Clinical Research Facilities and clinical trial units from across the country
- Surgical research collaborative groups
- Ethics and regulatory bodies
- Clinical Trial Networks
- Research-funding organisations
